

Moving Checklist International Moving

At Muvzilla, we know exactly what matters when it comes to moving house. Here we show you how you can best prepare for your move and what you need to look out for.

With the Muvzilla checklist you move relaxed.

6 months before the move:

At this time there are some general tasks to be done. The main thing is that you make the entry into your receiving country possible.

- check immigration regulations
- If required, apply for work and residence permit
- Job search in the target country
- Clear out your apartment, so you can save unnecessary moving costs
- Create a list of removal goods and their masses

3 months before the move:

3 months before the move, things get concrete. This is where tasks to prepare for your move come to the fore. We have compiled this moving checklist for you here, so that you are perfectly prepared.

- Cancel old lease
- make repairs
- find a new tenant
- Are all keys of the old apartment available?
- Arrange appointments for handing over the apartment
- Checking the validity of identity documents
- Check insurances, if necessary take out new insurances in the destination country (accident, liability and household insurance)
- carry out any necessary vaccinations

2 months before the move:

Now your moving preparations are picking up speed. Here's our checklist for 2 months before your international move.

- Request leave for the moving days
- arrange childcare
- Request no-parking zones
This way the truck can park directly in front of the apartment.
- Unsubscribe or change telephone, internet, electricity, gas, etc.
- Cancel club memberships
- Inform subscriptions, bank, kindergarten, employer, insurances, health insurance, etc. about change of address
- Plan the furnishing of the new apartment (incl. furniture plan for movers)

2 weeks before the move:

There's a lot to do in the two weeks leading up to your move. Just stick to our moving checklist and nothing will be forgotten.

- Prepare apartment handover protocols
- Disposing of bulky waste and electrical waste
- Set up redirection order
- Use up supplies and defrost freezer

1 week before the move:

Your move is just around the corner. Use this checklist to make the final preparations.

- Take photos of the staircase and the condition of the apartment so that previous damage is documented.
- Pack personal belongings and important documents (certificates, passports, etc.), mark boxes and make them available.
- Organize catering for removal workers

The day we move out:

Today is the big day. Thanks to good preparation, the move will be a breeze.

- Transport personal items yourself
- have snacks ready
- Provide cleaning agents, rubbish bags and the first aid kit
- Cleaning old apartment
- Note down the meter readings of the old apartment

After the move:

Even after the move, there are still a few things to do. Once you have worked through the checklist, it's time to sit back, relax and enjoy your new home.

- Re-register car and residence
- Attach name tags
On the letterbox and the doorbell of the new apartment. You should remove those from the old apartment if you have not already done so.
- Handover of the old apartment (incl. handover protocol)
- Reclaiming the rent deposit of the old apartment
